

Dear Vendor/Exhibitor:

On behalf of the Executive Committee and host institution, we cordially invite you to join us as an official Vendor/Exhibitor of the **2024 Gulf-South Summit on Service-Learning and Civic Engagement through Higher Education**. The purpose of the Summit is to facilitate a discussion of best practices, share research, and foster a professional network of engaged scholars, students and practitioners. Since 2003, the Summit has provided a dynamic forum to discuss the challenges and successes of higher education's drive toward true community engagement.

Annually, the Summit attracts an average of 350-400 faculty, staff, students, and community partners. The overall Summit program includes over 100 peer-led paper and workshop sessions, nationally recognized keynote speakers, as well as a variety of topical pre-conference workshops. The Gulf-South Summit is traditionally held in the Gulf-South region, but it is a truly national-level conference drawing participants from across the United States and abroad.

The *2024 Gulf-South Summit* will be hosted by Auburn University, April 15-17, 2024. The theme is **“Bridging the Gap Between Personal and Social Responsibility Through Knowledge, Engagement, and Action.”**

We invite you to become a Vendor/Exhibitor of the *2024 Gulf-South Summit* for a \$750 fee. As a Vendor, you will receive a prominent table and one complimentary registration for all three conference days. The table includes electricity, if needed.

Program information for the Summit is at the www.gulfsouthsummit.org website.

If your organization would like to participate in the *Summit*, please return the enclosed Vendor form and payment to Auburn University Office of Professional and Continuing Education. Thank you for your consideration. If you have any questions, please feel free to contact Dr. Jocelyn Vickers at jvickers@auburn.edu or info@gulfsouthsummit.org.
